

Executive Limitations Policy No. 2.3.1

Compensation and Benefits

With respect to compensation and benefits for employees within the responsibility of the General Manager, the General Manager shall not cause or allow jeopardy to the fiscal integrity or to the public image of the Utah Transit Authority. In addition the General Manager shall not:

1. Establish compensation and benefits which deviate materially from the comparable industry labor market value for the skills employed.
2. Allow deviation from the terms of the approved collectively bargained contract.

Effective Date: May 28, 2003

Adopted by Resolution 462
