

LEGAL NOTICE – UTAH TRANSIT AUTHORITY

The Utah Transit Authority (UTA) has prepared a Draft Environmental Study Report (Draft ESR) for the proposed Taylorsville-Murray Transit Project. The ESR describes the environmental impacts and identifies potential mitigation measures associated with the proposed Taylorsville-Murray Transit Project that extends into the cities of Taylorsville and Murray located in Salt Lake County, Utah.

The Proposed Action includes a bus rapid transit line that travels from the Murray City Center just north of the Intermountain Medical Center in Murray to the Murray Central TRAX and FrontRunner stations and then west to Salt Lake Community College on Redwood Road located in Taylorsville City. The project is 4.4 miles long and includes 1.5 miles of exclusive bus lanes; the majority of the exclusive lane is center running and located on 4700 South. The project will also include eight new stations for the bus rapid transit line. The main purpose of the project is to provide a reliable, efficient transit connection between the Murray Central TRAX and FrontRunner stations to the Murray City Center District and the Salt Lake Community College.

A 30-day public comment period for the ESR will begin on **May 5, 2013** and conclude on **June 4, 2013**. Written comments on the document must be postmarked by June 4, 2013. Comments can be submitted in the following ways:

- By e-mail to hearingofficer@rideuta.com
- By postal mail to the following address:
